Certificate of Product Evaluation

Certificate Number :

Product Name :

Assurance Level :

Certification Report Number :

Version :

The IT product identified in this certificate has been evaluated under the terms and condition of the Indian Common Criteria Certification Scheme (IC3S), following the same standards and processes as mandated to Constituent Authorizing Schemes under CCRA, at an accredited testing laboratory using the Common Methodology for IT Security Evaluation (Version 3.1, R2) for conformance to the Common Criteria for IT Security Evaluation (Version 3.1, R3).

This certificate applies only to the specific version and release of the product in its evaluated configuration (Refer Annexure and Certification Report). The product's functional and assurance security specifications are contained in its Security Target and the conclusions of the Common Criteria Testing Laboratory in the evaluation technical report are consistent with the evidence adduced.

This certificate is not an endorsement of the IT product by any agency of the Government of India and no warranty of the IT product is either expressed or implied.
